PRESS RELEASE: KEISKAMMA TRUST JOINS THE EASTERN CAPE HEALTH CRISIS ACTION COALITION

The Keiskamma Trust Health Program works in partnership with the Department of Health to support and strengthen the health services in communities in the Amatole region, Eastern Cape. We are a community-based organisation that delivers health through a team of community health workers who work closely with the local clinics.

While our partnership with government is very important, advocating for improved health in the communities we serve is equally as important. It is the goal of the Keiskamma Trust to join the Eastern Cape Health Crisis Action Coalition in order to advocate for change, and support the government to address the health crisis in the Eastern Cape.

Board of Trustees of the Keiskamma Trust: Mr. Mpumi Fundam (Chairperson), Dr Carol Hofmeyr (founder), Ms. Nontobeko Dayi, Mr. Andrew Hofmeyr (Deputy Chair) and Dr Paul Roux
